

May 1, 2024

To Whom It May Concern:

Google is pleased to let you know that Karan Palan has been accepted to participate in the Google Summer of Code 2024 program, which is administered from our Corporate Headquarters at 1600 Amphitheatre Parkway, Mountain View, CA 94043.

Karan will participate as a GSoC Contributor beginning May 27, 2024 and ending on September 6, 2024, developing open source software for Sugar Labs. Karan is expected to spend approximately 350 hours working on their project. Karan will work from home on their project and will not be required to visit either Google or the offices of Sugar Labs.

More information on Karan Palan's project can be found at: <https://summerofcode.withgoogle.com/programs/2024/projects/5g3Db6sl>. The program is administered by Google, Karan Palan will not be directly employed by Google during participation in Google Summer of Code.

This letter serves as official proof and verification of Karan Palan's acceptance into Google Summer of Code 2024. Alternate proof cannot be provided. However, Karan may, subject to their mentor's approval, make adjustments to the start and end dates of the program, and their mentor may offer to provide verification to supplement this letter.

To learn more about the GSoC program visit our website <https://g.co/gsoc>. Should you require any further information, please do not hesitate to contact our team via email at gsoc-support@google.com

Best,

A handwritten signature in black ink that reads "Stephanie Taylor". The signature is fluid and cursive, with the first name being more prominent.

Stephanie Taylor
Google Summer of Code Program Lead
